

Hamilton County Bridge 207

Logan Street over White River

Rehabilitation, Widening and Lighting for Pedestrian Path

PROJECT OVERVIEW

This is a joint project between Hamilton County and the City of Noblesville. The existing bridge is being rehabilitated and widened to provide pedestrian connectivity between downtown Noblesville, River Walk and Federal Hill Commons Park. A pedestrian path protected from the traffic will be added to the south side of the bridge. Decorative lighting will be installed along the path.

WORK SUMMARY FOR WEEK ENDING 5/25/19

- Extended the causeway to the Pier 4 cofferdam
- Sealed and dewatered the Pier 4 cofferdam for excavation work
- Miscellaneous activities to prep for work on the Pier 2 and 3 caps
- Exposed the existing storm sewer in the cut wall area
- Rain (Wed), 3 of 6 days suitable for work on controlling operation

WORK PLANNED FOR WEEK ENDING 6/01/19

- Form the remaining section of Bent 5
- Continue Pier 4 excavation and piling work.
- Begin forming the caps at Piers 2 and 3
